

ENGINEERING ASSOCIATE – CIVIL / SITE SHALLOTTE, NORTH CAROLINA

Shallotte is a great place to live! Located in the 4th fastest growing county in state, Brunswick County is in the southeastern part of North Carolina between Wilmington and Myrtle Beach. Living in Shallotte gives you close access to 5 barrier islands, 30 championship golf courses and many local restaurants and shops. Each portion of the county holds its own distinct characteristics, yet one thing that remains consistent throughout is the collective tranquility and relief from the everyday hustle and bustle. The coastal setting, low tax rates, and high quality of life here help to ensure that the area will continue to grow. You will find a range of tastes, activities and interests to enjoy for you and your family.

Essential Duties and Responsibilities

Duties include the application of general civil and environmental engineering design principles on a variety of public and private civil and site projects. Typical project responsibilities will include basic engineering computations, design, layout, modeling, CAD and engineering report writing.
