

# ENGINEERING ASSOCIATE – WATER / WASTEWATER SHALLOTTE, NORTH CAROLINA

McGill Associates is a growing, progressive, regional engineering and consulting firm with over 30 years of experience. Our firm offers multi-discipline, professional engineering, environmental consulting, land planning, landscape architecture, surveying and construction related services to clients throughout the Southeast. Our team of professionals is dedicated to presenting innovative solutions and value-added approaches that result in our ability to deliver projects on time and within budget.

**Shallotte is a great place to live!** Located in the 4th fastest growing county in state, Brunswick County is in the southeastern part of North Carolina between Wilmington and Myrtle Beach. Living in Shallotte gives you close access to 5 barrier islands, 30 championship golf courses and many local restaurants and shops. Each portion of the county holds its own distinct characteristics, yet one thing that remains consistent throughout is the collective tranquility and relief from the everyday hustle and bustle. The coastal setting, low tax rates, and high quality of life here help to ensure that the area will continue to grow. You will find a range of tastes, activities and interests to enjoy for you and your family.
