

PROJECT MANAGER – CIVIL ENGINEERING NEWPORT NEWS, VIRGINIA

Progressive regional consulting engineering firm seeks highly motivated candidates for Project Manager position with an extensive project management background in civil site and water resources for our Newport News office.

Essential Duties and Responsibilities

Position duties encompass business development, leadership of projects, and project management. Candidates should have experience working with clients and ensuring client satisfaction at the highest levels. Candidates will work closely with the Office Manager and marketing staff in the development and delivery of proposals and presentations. Typical project responsibilities will include developing project scope, budget, and fee for services; contract negotiations; staff management and scheduling; and client communication. The position requires the application of engineering design techniques and principles on a variety of civil site and public and private water resources projects.

Minimum Education and Licenses

- Bachelor's Degree in Civil or Environmental Engineering or a related field from an accredited four-year college or university and a minimum of 7 years of experience in engineering with at least 2 years of progressive experience in the management of engineering projects and/or personnel
- Virginia PE licensure or the ability to obtain within 6 months of hire
- Civil engineering experience in the Tidewater region is preferred
- Valid Virginia driver's license

- Proficiency in commonly used computer software (Word, Excel, Outlook)
- Excellent writing and communication skills

Physical Demands

- Frequently required to sit, talk, and hear
- Occasionally required to stand and walk
- Reach with hands and arms
- Use hands to finger, handle, or feel objects, tools, or controls
- Frequently lift and/or move 35 pounds
- Occasionally lift and/or move up to 50 pounds

How to Apply

To apply, please email a cover letter and resume with references in one document to recruiting@mcgillengineers.com. Please list "Project Manager – Civil Engineering - Newport News" in the subject line of your email.
