

2018 SUMMER INTERN – CIVIL/SITE KNOXVILLE, TENNESSEE

Progressive regional consulting engineering firm seeks highly motivated candidates for Summer Intern position in our Knoxville, Tennessee office.

Essential Duties and Responsibilities

An internship is a form of experiential learning that integrates knowledge and theory learned in the classroom with practical application and skill development in a professional setting. Interns will be assigned a workload closely aligned with their interests and abilities and consisting of multiple real client projects over the course of the internship.

Minimum Education and Requirements

- Must be enrolled in Civil or Environmental Engineering or a related field from an accredited 4-year college or university
- Valid driver's license
- Proficiency in commonly used computer software (Word, Excel, Outlook)
- Excellent writing and communication skills

Physical Demands

- Frequently required to sit, talk, and hear
- Occasionally required to stand and walk
- Reach with hands and arms
- Use hands to finger, handle, or feel objects, tools, or controls

- Occasionally lift and/or move up to 50 pounds

How to Apply

To apply, please email a cover letter and resume with references in one document to recruiting@mcgillengineers.com. Please list "Summer Intern - KNXCVL" in the subject line of your email.
